

### Saxon Scholar Selected In USC Honors Program

A North High School student is one of 28 area high school seniors who has been accepted for the second annual resident honors program for high school seniors at the University of Southern California.

He is Irvin L. McClendon, 3222 W. 181st St., who will attend USC for the coming academic year.

STUDENTS accepted for the program take a full schedule of classes at the university and receive both high school and college credit. McClendon will graduate with his class at North High School next June.

More than 40 students are expected to be in the program by the time classes begin Sept. 24. A class of 28 completed the

program in June and graduated with their classes.

THE UNIVERSITY pointed out that it is not interested in substituting the first year of college work for the senior year in high school as a general rule. The program is designed to work with a few students who rank at the top of their high school classes.

The program is an individually tailored social and academic environmental experience for unusually mature students and not a program of acceleration.

### Camino Yearbook Is Now Available At Campus Store

"The Warrior," 1962 yearbook of El Camino College, is now available in the campus bookstore.

Long delayed because of mechanical difficulties, the book was prepared by the yearbook staff of the college. Miss Nancy Bobo was editor, and Donald M. Brown was the yearbook advisor.

Copies are available only for those who made advance reservations for the yearbook.

Rest satisfied with doing well, and leave others to talk of you as they please—Pythagoras.

### Board Calls For Revision Of State Law

Trustees of the Torrance Unified School District, at their last meeting, adopted a resolution calling for a change in the state law requiring all work over \$1,000 in value to be contracted.

Copies of the resolution were sent to the State Board of Education, and to all members of the State Legislature.

The Board says such contracting is costly to the districts.
